

REMARKS

This amendment is being submitted to remove an incorrect reference to prior applications. Specifically, the parent application, U.S. patent application Serial No. 09/101,017, is not currently a continuation-in-part of U.S. patent application Ser. No. 07/727,757 filed Jul. 9, 1991, now U.S. Pat. No. 5,233,141, or U.S. patent application Ser. No. 07/896,496 filed Jun. 2, 1992, now U.S. Pat. No. 5,231,253. The '141 patent issued August 3, 1993 and the '253 patent issued July 27, 1993, both of which predate the September 16, 1993 filing date of the '017 application. Thus, the '017 application is not currently a continuation of either application.

Correction of the file jacket is respectfully requested.

FOR THE APPLICANT
Respectfully submitted,

Brian Roffe
Reg. No. 35,336
